25X1

The following table gives the planned export, in thousands of rubles, of exports during 1951 of thirty products, and the actual percentage of fulfillment of the plan. The items are from the combined construction plan program and follow the list as established in the DDR Economic Plan Key List for 1952.

| Product   | Planned export,<br>in 1000 rubles | Actual export,<br>in 1000 rubles |
|---|-----------------------------------|----------------------------------|
| Heavy power machinery                                   | 49,144                            | 41.4                             |
| Machine tools   | 72,286                            | 31.2                             |
| Tools and foundry equipment                             | 22,357                            | 12.3                             |
| Metallurgical and mining equipment                      | 73,295                            | 12.7                             |
| Equipment for fuel industry                             | 11,423                            | 27.1                             |
| Transportation equipment                                | 98,126                            | 17.7                             |
| Chemical pumps  | 213,512                           | 30.5                             |
| Equipment for food industry                             | 101,120                           | 60.4                             |
| Refrigeration equipment                                 | 35,000                            | 15.2                             |
| Air conditioning equipment                              | 3,400                             | 69.2                             |
| Equipment for glass industry                            | 2,320                             | 33.7                             |
| Agricultural machinery                                  | 22,209                            | 13.7                             |
| Construction machinery                                  | 42,316                            | 13.3                             |
| Machinery for textile industry                          | 34,605                            | 14.1                             |
| Machinery for light industry                            | 54,430                            | 21.2                             |
| Machinery for cellulose and artificial<br>silk industry | 1,024                             | 10.7                             |
| Fire fighting equipment                                 | 152                               | 145.7                            |
| Roller bearings   | 24,400                            | 5.1                              |
| Steel construction equipment                            | 2,722                             | 24.2                             |
| Equipment for paper industry                            | 2,316                             | 71.3                             |
| Equipment for polypropylene industry                    | 51,452                            | 102.7                            |
| Food processing equipment                               | 27,697                            | 35.1                             |
| Electrical welding machinery                            | 1,664                             | 162.2                            |
| Industrial armatures                                    | 20,882                            | 236.3                            |
| Railroad vehicles                                       | 50,275                            | 62.3                             |
| Automobiles and tractor                                 | 67,728                            | 75.3                             |
